Loan of Rs. 50,000/- granted to the House building -- Co-operative Society at - Yedatore.

1. As regards the advance of Rs. 50,000/- placed by Government at the disposal of the Society and withdrawn recently, the Committee propose that a sum of Rs. 20,000/- may in the first instance be placed at the disposal of the Society. Government have ordered that Rs. 20,000/- may be utilised for building model houses and the remaining amount withdrawn. I think the balance of Rs. 30000 may again be placed at the disposal of the Co-operative Society.
